

## My take on what spreading the gospel is

– David Chau

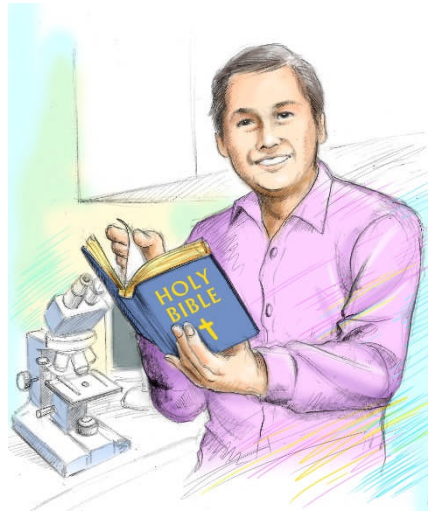

(Cantonese congregation)

We spread the word on cool stuff – believing in Jesus is the cool stuff. People advertise, we reach out and spread the gospel.

Sadly, misunderstanding the cool stuff prevents plenty of people from believing in Jesus. Let's clear away these misunderstandings and barriers, to enable people to let the cool stuff in.

And yet many more people may not have heard of Jesus. May we use the rest of our earthly lives to proclaim the cool stuff:

Loving Jesus, responding to His love, making Him known, and glorifying Him.

## 我看傳福音

— 周啟賢弟兄 (粵語堂)

遇著好東西總要跟人家分享—信耶穌就是這個好東西。人家賣廣告，我們外展佈道。

可惜，不少人對這個好東西存著誤解。你和我的使命就是去糾正這些誤解，挪開這些障礙，讓他們抓著這個好東西。

還有更多人未聞這個好東西。就讓我們有生之年，去告訴他們這個好東西罷。

愛耶穌，報答耶穌；傳揚耶穌，為耶穌作見證。
