

# Youth Easter Camp // YEC18

## What's it all about?

Do you ever wonder if you're really living your life to the full? Or stop to think about what it is that you're living for? It's been said that in every person's heart there is a throne and a cross. We find ourselves on the throne until we put ourselves on the cross.

That sounds pretty scary, but what it means is that we can't really have life until we put ourselves, and certain things, to death. Have you died the right kind of death so that you can become alive? Don't be like the walking dead... you're not a zombie!

- ▶ Come and find out what's *futile* about the *flesh*.
- ▶ Come and find out what's *right* about *righteousness*.
- ▶ Come and celebrate the death of death and find **life**!

*The old has gone, the new is here!*

- ▶ Snacks for yourself & to share with others.
- ▶ Notebook, and most importantly... an actual hardcopy Bible!

## Lots going on...

There will be games, worship, teaching, sports, workshops, movies, and a life-changing experience as we meet with God!

You will belong to a small group with leaders and other youth where you will have time each day to ask questions and talk about what's going on in your head and your heart.

In the free time, you can make new friends or join activities.

## Study time...

For those who need to study for important exams, there will be a study session with leaders available to support you with their subject expertise, plus plenty of free time for independent study.

If that's not enough, then campers are permitted to skip one of the team games sessions, but are encouraged to take part in the rest of the programme each day.

## Note to parents...

Please make sure you return a signed **Parental Consent Form** to your child's Youth Leader, which you can download from our website using the link in your confirmation email, along with the payment details.

As part of our celebration of Easter we will take **Holy Communion**. As a church we believe that this is a *symbolic* act for followers of Jesus after deciding to follow him. Our prayer is that our youths will make that choice.

Please speak to us if you have any issues or would like to know more, about anything to do with YEC18.
