

# Sixth Formers' Trip 2019

## Trip Details

Meet at **10:30am** on **Thursday 29 August** at our church's Soho Outreach Centre (SOC).

We'll be having our first sharing session there and planning for the MasterChef Challenge before we take the train together to Sevenoaks.

£100 covers train tickets, accommodation, and meals which will be self-catered at our venue. **Please bring a packed lunch** on the first day, or bring money to buy something around SOC.

On **Saturday 31 August**, we will return to Charing Cross at around **2:30pm**, and everyone will make their own way home from there.

## Accommodation

We'll be staying in a large converted farmhouse named The Old Stable, in a place called **Bore Place near Sevenoaks, Kent.**

*Bore Place Road, Chiddingstone, Edenbridge, Kent, TN8 7AR*

It's just a 35-minute journey by train from Charing Cross and is set in 500 acres of land with a working farm and conference centre.

The Old Stable has 11 bedrooms, sleeping up to 19 people, with 4 bathrooms, living room, dining room, and a well equipped kitchen.

**Bed linen and towels are provided.** And yes, there is free wifi!

## Prepare Yourself!

As well as having fun and celebrating the relationships built up over the years, the purpose of our Sixth Formers' Trip is also to prepare for the future of student life and adulthood. So whether you're becoming a uni student, taking a gap year, or going into work, we'll be going through a series of **'Linkup Sessions'** by Fusion Student Mission Movement, looking at:

- ▶ 'The Start' — *Be Ready, Be Yourself, Be Church, Be Friends*
- ▶ 'The Culture' — *Drinking, Mental Health, Relationships, Money*
- ▶ 'The Opportunities' — *Mission Styles, Study & Church Family*
- ▶ 'The Legacy' — *Talking about Jesus, Prayer & Commissioning*

The group will also be working together to learn practical skills with our own **MasterChef Challenge!** Year 13 boys and girls will go head-to-head by preparing dinner on a budget, with the leaders as the judges... Year 12s will be on washing up duty, and will get their chance to shine next year!

And not forgetting the main event: **Hiking!** This is where we get to share about life and journey together just as we've been journeying through the teenage years. This year, we're following a fairly short (12km) circular trail around local farmlands and woods with some breathtaking views.
