

# Youth Ministry Online

## Summer Term 2020

### Series: WHY?

Following on from the theme 'Rooted' planned for Youth Easter Camp, we'll be exploring the deep meaningful questions of life and faith and seeing how God's revelation through Scripture sets us on firm ground in a world of plurality and relative truth. What about LGBTQ+? Young people are asking about these sorts of topics, and the good news of Jesus is all about WHY he's worth following for an entire lifetime.

After digging into the reasons for pursuing a relationship with God and with one another, we then continue to discover the value of living the lives he's given us in a certain way, and connecting those fundamental values with the world around us. Although there is uncertainty around when our Youth Baptism Celebration will take place, preparing for this important ministry event gets us thinking about our own salvation, so we'll end the ministry year by pointing towards a lifelong faith: 'the righteous will go into eternal life.'

**Format:** Each Sunday at 2pm, we'll start with a ministry-wide video call on Zoom for worship and teaching or sharing to be led by a different youth leader each week, and then break out into each youth group for discussion and prayer to be facilitated by all youth leaders.
