

The Next Generation's Sharing

We wish you a Happy Father's Day!

We have taken this opportunity to share a special sermon in every congregation of CCiL over these two weeks. The purpose of this is to highlight our whole-church approach to reaching and building a lasting faith for the next generation.

As a church we continue to respond to God's call to raise up the next generation together. We thank God for expanding our TNG Pastoral Team by bringing our Kids Church Pastoral Worker, Gladys Ng, who has been serving with us since April.

Since joining the Sticky Faith Conference at Fort Bend Community Church in Texas earlier this year, we have been developing our approach to **intergenerational discipleship**, which is the message of the sermon we are sharing. This has also been uploaded to YouTube along with the full recordings of the conference sessions.

We would like to share these videos with you, some of which are short testimonial videos which include

Chinese subtitles, as well as the talks by Dr. Kara Powell from the Fuller Youth Institute. Please visit ccil.org.uk/stickyfaith for the YouTube playlist.

To guide each congregation in following up, we have shared some steps for the pastoral team to keep the next generation in mind in every area of our church as we...

- Emphasise the gospel and God's grace;
- Encourage intergenerational relationships by creating spaces for warm community culture;
- Equip the church, especially parents;
- Evaluate regularly in every ministry and congregation.

We are reminded that we are all charged to play our part to pass on our faith to the next generation: remember the Lord's commandments and impress them on your children. Talk about them when you sit at home and when you walk along the road... (See Deuteronomy 6:7)
