

Teenstreet

TeenStreet is a global movement of young Jesus followers united to share God's love with those who don't know it. We partner with local churches and youth groups across the UK to inspire teens to go deeper in their relationship with Christ. We also empower them to make disciples everywhere.

TeenStreet is OM UK's discipleship movement where teens from 13 to 17 come together to get inspired and equipped to go deeper in their faith. But most importantly, they find their place in God's story.

TeenStreet has proven to be effective at challenging young people to understand themselves and find their own relationship with Jesus. We also aim to break down barriers between cultures, generations, and denominations. Preparing young people to invest and be more involved in the local and global church as they understand that discipling others is an essential part of life.

Below are some of the characteristics that make TeenStreet unique:

Discipleship:

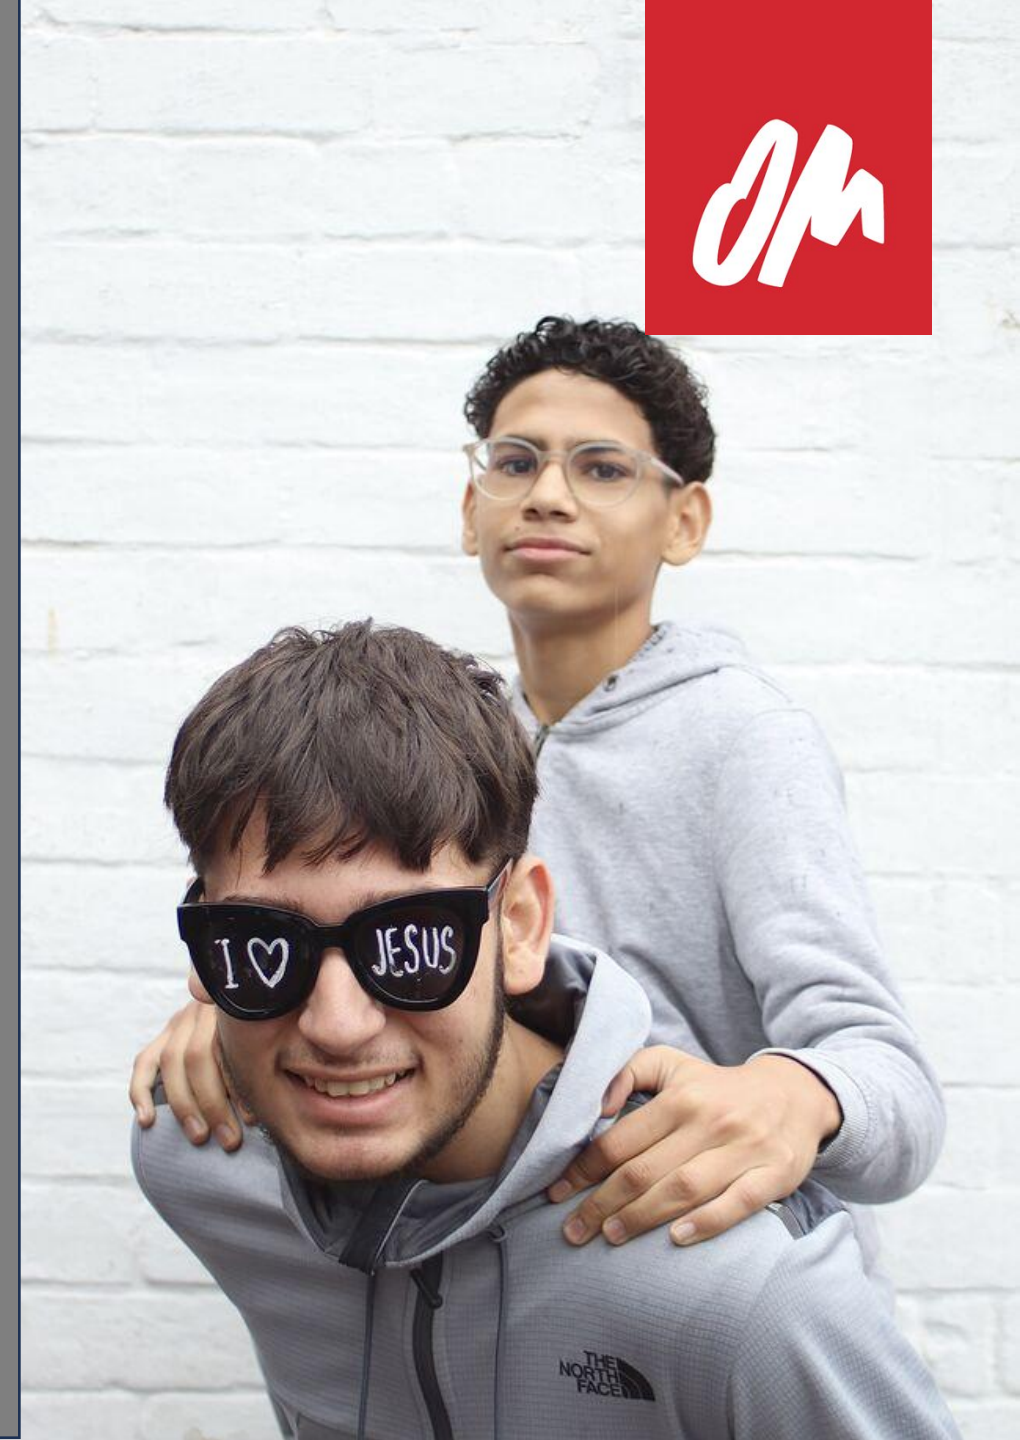

TeenStreet is paving the way for teens to start their journey of discipleship and service and showing people God's heart for those who don't have access to the Gospel. Teens will be discipled locally, through their churches and small groups with us facilitating the process.

Multicultural:

Imagine Christian teens across the UK, with different backgrounds and cultures, coming together for a movement designed to help them grow in their faith. This movement will help them embrace Christ's global cause.

Year-round:

We journey with teens all year round equipping them and creating local events and outreach opportunities for them to use their skills to serve and connect with believers around the world

TeenStreet and the Local Church

TeenStreet comes alongside churches as they disciple teens by inspiring and equipping them to be Jesus followers. It also helps them make disciples and develop a heart for those who have never heard the gospel. We create an environment and communicate with teens to help them make decisions based on their own convictions. This results in teens being excited about God, discipleship, and the Great Commission. As we build relationships with teenagers, we also build relationships with their pastors, youth leaders and churches.

If you want to see your teens go deep in their relationship with God, be bold in their faith and have fun along the way. TeenStreet UK is for you and your young people.

Teenstreet UK

3-9 Aug 2024

Capernwray Hall

Capernwray, Carnforth
LA6 1AQ
