NSC Cantonese Ministry Sharing

Thanksgiving and Prayer

Thanks to God's grace, the second two-year discipleship training programme, which began in September 2025, is now nearly halfway completed. Over the past year, we have witnessed God's work in the lives of our brothers and sisters. We have grown together, from strangers to those who have built trust, from silence to open sharing, and through intercessory prayer and companionship. The two-day, one-night retreat in early April deepened our understanding of one another. We also look forward to participating in the Breakthrough Weekend with the brothers and sisters of the HCC in October, hoping for a greater breakthrough in our lives and relationships.

At the end of August, the NSC Cantonese Congregation will host a three-day, two-night camp themed "One Church, One Family," with a short-term mission team from an American church serving alongside. We hope that our brothers and sisters will gain a deeper understanding that the church is a spiritual family. In addition, various working youth fellowships will also hold retreats or revival camps, hoping that everyone will renew their lives and respond to God's calling.

Service, this year we officially launched monthly Bible study classes and held our first Alpha course. Although there were initial concerns that the dispersed residences of the brothers and sisters would make it difficult to sustain, God provided a group of people thirsting for the truth, enabling the Bible study group to proceed steadily. He also led three seekers to participate in the Alpha course, allowing the gospel work to continue to expand.

In recent years, NSC Cantonese attendance has continued to grow, but there is still a shortage of full-time pastoral staff. We thank God for providing a group of faithful, loving, and willing brothers and sisters to serve alongside the three pastoral staff members. Although this year, due to CCiL's financial constraints, we were unable to hire more full-time pastoral staff, God still opened a way for us to hire one part-time pastoral staff member. We earnestly request that brothers and sisters continue to pray, asking the Lord to provide a suitable candidate to work together with the Cantonese congregation to shepherd the flock and build a church that glorifies the Lord's name.
